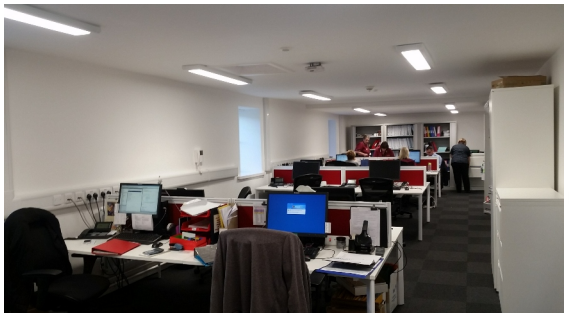
Wallace Green-Records Office

Team Build CONSTRUCTION



Client: Northumberland County Council

Value: £500K

This refurbishment project was carried out for our client, Northumberland County Council. A full internal refurbishment was undertaken on the office, kitchen and disabled access toilet. The internal works included the removal and replacement of internal ceilings and partitions, decoration and flooring works.

In addition, there were the replacement of mechanical and electrical installations. External works included roofing repairs and rendering of the building.
